Regarding: *RoHS declaration of conformity*

We herewith confirm that all products manufactured by Ubbink meet the requirements of the European Directive RoHS 2002/95/EC.

We Ubbink BV further confirm that should the situation change and a substance from the candidate list now or in the future is used in the products (and its associated packaging) we supply, we will immediately inform you.

With kind regards,

P. de Boer  
Manager Quality, Safety and Environment
